

**INFORMATION ON THE APPLICATION OF THE RoHS DIRECTIVE 2015/863/EU BY METAL KALIP SAN. ve TİC. A.Ş.**

**12.02.2025**

In accordance with the "RoHS Directive on the Restriction of Hazardous Chemical Substances (2011/65/EU)" adopted in the European Union, our production has been carried out in compliance with RoHS Directives.

The RoHS Directive 2015/863/EU, which was adopted in the European Union, officially published in the Official Journal of the European Union on March 31, 2015, and came into force on July 22, 2019, introduced a restriction on certain harmful components in electronic products by adding four new phthalates to the list of substances subject to RoHS compliance.

Our products comply with the RoHS directive.

METAL KALIP SAN. ve TİC. A.Ş. declares that it manufactures under the "NILSON" brand in compliance with the RoHS Directive, as indicated in certificates with the statement "Complies with the RoHS Directive."
